A stunning and extremely decorative Italian 19th century Louis XVI st. giltwood and specimen marble console. The freestanding console is raised by elegant circular tapered fluted legs with fine topie shaped feet and beautiful curved mottled top caps. Above each leg are striking richly carved block rosettes flanking the straight frieze with superb pierced arched designs framed within a mottled border below a wrap around beaded band. Above is the original stunning specimen marble top with Portoro, Brocatelle d'Espagne, Brèche de Sicile, Sienna, Rouge Griotte to name a few set within a white Carrara marble border.
