A charming and extremely high quality Italian 19th century Louis XVI st. white Carrara bust of a young girl. The bust is raised by a most elegant circular mottled socle shaped pedestal support. The beautiful bust above depicts a charming young girl with a wonderfully executed and finely detailed foliate base. She delicately holds a butterfly in her left hand and a bowl in her right. She has a quiver strapped over her shoulder and her hair drapes over her face with wonderful attention to detail.
