A striking and most unique Italian 19th century Neo-Classical st. giltwood, scagliola and cobalt blue glass center table. The table is raised by three elegant lightly curved supports of impressive and richly carved snakes with fine attention to detail and beautiful scales. At the center is a ball shaped stretcher with three crossed arrows. The circular scagliola top displays beautiful masterfully executed floral designs with a unique and most decorative central cobalt blue glass reserve and a fine mottled border. All original gilt throughout.
