A stunning and extremely decorative Italian 19th century Neo-Classical st. patinated bronze, ormolu, and Alabastro Fiorito side table. The unique table is raised by a square patinated bronze base with cut corners and a mottled border with a fine Coeur de Rai designed wrap around ormolu band, and displaying a striking central ormolu star rosette reserve. Four elegantly curved legs with handsome hoof feet and foliate designs lead upwards to exceptional richly chased rams heads at the corners of the beautiful original Alabastro Fiorito top. All original gilt and patina throughout.
