A spectacular and most impressive Italian 19th century Neo-Classical st. white Carrara marble center table. The monumentally scaled rectangular table is raised by stunning intricately detailed supports each displaying a fine mottled stepped base below handsome richly sculpted paws, superb hooves and striking exceptionally well executed swaging cornucopias and garlands of ripe fruit and acorns tied with a ribbon. The cornucopias hang from hoops in the mouths of magnificent lions centering an exquisitely sculpted mask of a

Satyr smiling amidst vines and grape leaves with the same impressive masterfully executed designs repeated at the inner side of the supports. Above is the original thick solid white Carrara marble top with beautiful fluted and foliate designs at the mottled border. Exceptional attention to detail and magnificent proportions throughout.
