A stunning Italian 19th century patinated bronze, ormolu, and Vert de Patricia marble sculpture, signed Vanetti. The statue is raised on a rectangular Vert de Patricia marble base with an elegant bottom ormolu band and fine mottled border. Above is a most impressive Roman gladiator in classic attire leaning back on a chariot, with his cape blowing in the wind while holding his horse's reins. The chariot is pulled by three handsome and most impressive rearing horses. Extremely well executed and exceptional attention to detail throughout.
