A stunning and extremely high quality Italian 19th century white Carrara marble bust of a young girl with birds. The bust is raised by a circular socle shaped pedestal support with elegant wrap around mottled bands. The wonderfully executed bust depicts a beautiful young girl dressed in a masterfully sculpted flowing garment with fine flowers at her shoulder and birds at her front. She is kissing one bird and wears a pearl necklace with her hair tied in an updo. Exceptional attention to detail throughout.
