A charming and high quality Italian 19th century white Carrara marble statue of a young girl holding a scroll. The statue is raised by a circular base with a finely sculpted diamond shaped ground design. The adorable young girl is dressed in a wonderfully executed dress which is falling off one of her shoulders while she pulls a blanket behind her decorated in the same manner. She is wearing a bonnet on her head and tied around her neck which covers her finely detailed flowing hair. She is holding up a most charming scroll in her left hand with the inscription "Santa Biggie Carrara" which she is playfully looking through. Wonderful subject matter and superb attention to detail throughout.
