A stunning and very high quality Italian 19th century white Carrara marble statue of Saint Michael slaying the dragon. The statue is raised by a square base with a fine ground like design. Above is the striking and wonderfully executed Saint Michael wearing chain mail armor and a cloak with his impressive wings protruding at the back. He pins the dragon down with his foot while holding his sword in its mouth. Wonderful attention to detail throughout.

Item #12473 H: 32 in L: 12 in D: 10 in List Price: \$34,800.00
