A lovely and high quality Italian early 19th century Louis XV st. giltwood and onyx side table. The table is raised by an elegant triangular base with concave sides and three most elegant scrolled legs. Each leg displays handsome paw feet and charming richly carved cherubs with butterfly wings.

The supports are connected by an impressive scrolled stretcher which is centered by a wonderful and most unique scrolled foliate finial. Above are wonderfully executed scrolled pierced foliate reserves with a finely detailed wrap around foliate band above and hammered designs framing the original fitted onyx top.
