A spectacular and most decorative Italian mid 19th century Louis XV st. giltwood mirror. The mirror retains its original mirror plate framed within an exquisite and wonderfully executed branch designed border. Extending throughout are superb intricately detailed grape leaves with fine intertwining vines and lovely grape clusters throughout. At each bottom corner are charming richly carved cherubs seemingly holding the vines while the impressive pierced top crown is centered by an additional playful cherub in the vines above. All original gilt throughout.
