A unique and extremely decorative Italian turn of the century gilt metal, Blanc de Chine porcelain and tole chandelier. The four arm chandelier with Asian influence is centered by a beautiful spiraled bottom finial below the elegantly curved gilt metal arms leading to fine foliate candle cups.

Wonderfully executed vines wrap around the arms and cage with lovely vividly colored blooming flowers and tole leaves centering a charming finely detailed Blanc de Chine personage. Above is the pagoda shaped roof design with curved elements and foliate finials at each corner.
