A most decorative and high quality Continental 19th century Neo-Classical st. ormolu and marble statue of Athena. The statue is raised by a plinth with a bottom Occhio di Pavone marble base below the Verde Antico marble column which is flanked by Rosso Antico marble mottled top and bottom. Standing proudly above is the ormolu Athena in classical draped attire holding her staff in her right hand, while a serpent is on the ground besides her.

Wonderful detail throughout and all original gilt.
