A most elegant French 18th century Louis XV period Kingwood and Tulipwood desk. The two drawer desk is raised by fine cabriole legs with foliate ormolu sabots. The apron displays a beautifully scalloped shape with wonderfully inlaid fish scale like designs, a central inlaid panel, and a pullout with a fine ormolu pull which opens to reveal the original black gold tooled fitted writing surface. At each side are unique drawers decorated with the same charming fish scale inlaid design with richly chased foliate ormolu keyhole escutcheon. The top also retains its original gold tooled fitted leather writing surface framed within a most decorative scalloped shaped kingwood border.
