A handsome French 19th century Empire st. patinated bronze and ormolu seven light chandelier. The chandelier is centered by a fine ormolu acorn inverted finial below a richly chased base with most decorative foliate patterns in a striking satin and burnished finish. Each of the six scrolled ormolu arms display fine foliate chasing and candle cups, with rich foliate reserves at the rim. Three ormolu supports center a superb illuminated central flame and lead up to the handsome canopy with three pierced palmettes.
