A wonderful and unique French 19th century Louis XV st. tulipwood and kingwood console/sofa table. The table is raised by attractive cabriole legs with richly chased ormolu sabots and elegant tulipwood chutes. The scalloped frieze displays wonderful kingwood within tulipwood trim. Above the scalloped top is a gilt tooled brown leather surface. The top flips open, and the legs expands to support it, to create a wider table which also has the gilt tooled leather surface.
