An extremely elegant pair of French 19th century Louis XVI st. mahogany, kingwood, ormolu and marble side tables. Each table is raised by fine ormolu topie shaped feet below beautiful slender circular tapered fluted legs with ormolu top caps. The legs display block reserves with ormolu rosettes and are attached by a most decorative X shaped stretcher with a mottled border and a striking central ormolu eternal flame. The frieze displays an elegant beaded ormolu band and intricately detailed ormolu mounts of Bacchus centered by superb cornucopias and floral movements. Above each leg are wonderful silvered bronze medallions with charming theatrical figures framed within a berried laurel ormolu band. All below the original Brèche marble tops fitted within a fluted ormolu gallery.
