A stunning true pair of French 19th century Neo-Classical st. cobalt blue and gilt porcelain vases mounted into lamps, possibly by Sèvres. Each lamp is raised by fine ormolu ball feet, below a square base and socle pedestal, decorated with a lovely foliate band and a central urn. The body displays elegant scrolled handles with gilt accents and a hand painted helmet, two swords and an ax, amidst charming berried laurel bands and swaging foliate garlands. At the neck is a beautiful wrap around laurel band with a central lyre flanked by additional swaging floral garlands.
