A most elegant pair of French 19th century Louis XVI st. ormolu bouillotte lamps. Each lamp is raised by a circular base with fine foliate and reeded wrap around bands. The lightly tapered central futs display lovely tied fluted bands, acanthus leaves and richly chased foliate designs. Above are the scrolled foliate arms, each adorned with acanthus leaves and fine fluted candle cups. Above are the original patinated red tole adjustable shades with wrap around gilt berried laurel bands and arrows at the fut to adjust the heights. The tops are finished by berried laurel wreath ormolu finials. All original gilt throughout.
