A beautiful pair of French 19th century Neo-Classical st. patinated bronze, ormolu and Vert Maurin marble lamps, attributed to Ferdinand Barbedienne. Each lamp is raised by a square Vert Maurin base with a fine mottled stepped design and elegant foliate ormolu feet. The beautifully shaped patinated bronze bodies display classical scenes with adults and charming cherubs dancing and playing musical instruments. Leading up each side are striking scrolled foliate handles centering the elegantly curved necks. All original gilt and patina throughout.
